Andromeda Arnolfini

a film by Jennifer Bird

Shoot Dates: **October 15-17 and 22-24**

-::SYNOPSIS::-

Andromeda, a meek, bookish woman, has never had a relationship, yet has no problem giving out relationship advice to others. Her traditionally-minded grandmother harps on her constantly to find a man. When Andromeda sees an opportunity to become a **relationship therapist**, she takes the job hoping to learn more about them. Yet, in seeing the uglier side of relationships, she gains more knowledge than she bargained for.
